

INSIGHTS FROM HEALTHCARE OWNERS: NAVIGATING OWNERSHIP REALITIES

Thursday, April 18, 2024 - 11:30am-1:30pm

About the Program:

Join AAa/e in a compelling panel discussion featuring esteemed healthcare Construction, Design, and Real Estate owners. Gain unparalleled insights into the multifaceted management of healthcare establishments as industry leaders delve into the intricacies of their roles, offering candid reflections on the dynamic challenges and rewarding experiences in today's ever-evolving landscape. Uncover lesser-known aspects of design and construction management in healthcare facilities and broaden your perspective on the responsibilities, complexities, and unexpected nuances of ownership in the healthcare sector. Our panelists will dive into the conversation around "Being an owner...did you know?", where knowledge meets experience in the heart of healthcare innovation.
