

# Asian American Architects/Engineers Association Presents:

## Healthcare:

### Affordable Care Act & Healthcare Consolidations – Where are we now?

*Thursday, February 26<sup>th</sup>, 2015 - 11:30am-1:30pm*

#### About the Program:

Entering 2015, the ACA faces challenges both in a new Republican-controlled Congress and in the Supreme Court. In addition, the controversial employers' "play-to-pay" mandate came into effect on January 1 amid questions about the future—and perhaps viability—of the law itself.

Join us for our annual healthcare event as leading healthcare experts share their outlook for 2015, their perspective on how the ACA has affected their organization in the past year, and their thoughts on the various consolidations and acquisitions of hospitals up and down the State of California and what it means to their organization.

In addition, come hear from leading healthcare institutions, Dignity Health and City of Hope, and what they have in store for their capital program in the near future and the opportunities they can provide for the AEC community.
