## Ports Summit

Thursday, August 21, 2014 - 11:30am-1:30pm

### About the Program:

Our Ports have continued to be the gateway and economic pipeline for the US economy and our trade partners. Southern California is home to 4 major Ports - Port of Los Angeles, Port of Long Beach, Port of San Diego, and the Port of Hueneme.

Learn what each of them are doing in order to prepare themselves and to keep up with the demands of the global economy by sharing their port infrastructure, current projects, and 5 year capital improvement projects focusing on outreach and opportunities for the AEC Community.
