

# Asian American Architects/Engineers Association Presents:

## Back to School with LAUSD

Thursday, September 17, 2015 - 11:30am-1:30pm

### About the Program:

The modernization and redevelopment of our school's infrastructure is a vital component of enhancing the learning experience for our youth's future. For years, the Los Angeles Unified School District (LAUSD) has been at the forefront of updating their existing facilities, and creating new campuses to keep up with the demands of technological advances and growing populations.

LAUSD's \$7 Billion Measure Q Bond Program focuses on upgrading LAUSD's portfolio with the following Programs:

- Comprehensive Modernization Program
- Campus Redevelopment Program
- Critical Repair Program
  - Seismic Retrofit and Facility Modernizations of District's Highest Risk Buildings
  - Replacement of Failing HVAC Systems
  - Science Lab Upgrades
  - Playground Improvements
  - Roofing Repairs and Replacement
- Sustainability Programs

Come and learn how the AEC Community can be a part of LAUSD's Team and become a partner for improving LAUSD's facilities for the children of today and future generations.
