About the Program:

LA Metro is playing a vital role in Los Angeles County and beyond. From West Santa Ana Branch Transit Corridor and the North Hollywood to Pasadena Bus Rapid Transit Project, Metro continues to have ambitious plans for the future of LA County residents. When 71% Los Angeles voters approved Measure M in 2016, they gave a green light to a fourth countywide sales tax to reinvest revenues back into the local infrastructure and transportation system. Come learn about Metro's progress toward Measure M program delivery and upcoming bidding opportunities.
