

Asian American Architects/Engineers Association Presents:

Soaring Beyond Capital Improvement Programs – Inspiring the Industry to Build and take Flight

Thursday, April 18, 2019, 11:30am-1:30pm

Speaker:

Patrick Lammerding, Deputy Executive Director, Planning and Development – **Burbank Airport**
Cynthia Guidry, Deputy Executive Director Planning and Development Group – **Los Angeles Airport**
Keith G. Owens, Director of Program Management – **Ontario Airport**

Moderator:

Lydia Kennard, President and CEO - **KDG Construction Consulting**

Program Description:

Join us to hear from Burbank – Hollywood, Los Angeles World Airports and Ontario Airport on how airport infrastructure is evolving to accommodate the changes in the industry.

The global aviation industry is expected to record phenomenal growth over the next 20 years, with millions of newer passengers taking to the skies, but rising demand may pose significant infrastructure challenges. Hear how our local airports are navigating the reality that America needs new airports with more runways and bigger terminals.
