Speakers:

Jack Haupt, Senior Director, **City of Hope**

Kevin Cheng, Senior Project Manager, **City of Hope**

Edward Solis, Senior Project Manager, **City of Hope**

Sam Staley, Director of Construction, **City of Hope**

Program Description:

The City of Hope is a world leader in the research and treatment of cancer, diabetes, and other serious diseases. Hear from the Facilities Planning, Design & Construction team on their innovative plans to provide state of the art facilities.

City of Hope is a private, not-for-profit clinical research center, hospital and graduate medical school located in Duarte, California. The center's main campus resides on 110 acres of land adjacent to the boundaries of Duarte and Irwindale.

Join us to hear from the team driving the Capital Improvement Program.
