About the Program:

The Los Angeles Community College District (LACCD) is the largest community college district in the United States and is one of the largest in the world. LACCD consists of nine colleges and covers an area of more than 882 square miles. Amid a global pandemic, LACCD has had to pivot facets of their multi-billion dollar capital improvement program to stay on schedule while increasing safety measures and protocols. Hear from the leadership team driving these changes.
