### About the Program:

In anticipation of their upcoming On-Call A&E procurement, this 2-part webinar will focus on SANDAG's 5 Big Moves and their A&E bench program. The 5 Big Moves focuses on infrastructure improvements to transform the region in a bold new way and promote more commuting options beyond personal vehicles. The A&E Bench program is comprised of certified Disadvantaged Business Enterprise (DBE) and Small Business (SB) firms that Prime Consultants are able to access and team with on potential contracting opportunities.
