About the Webinar:

The University of California is a system of public research universities routinely ranked among the world's best. Founded in 1869, UC has established a reputation for pioneering research, innovation, and discovery. With a total of 10 campuses, the system is known for its world-class facilities. Join us to hear from 4 campuses in the Southern California region, UC Riverside, Irvine, Los Angeles and San Diego on their major capital projects implementation program.

Date & Time:

Thursday, June 18, 2020
1:30pm-2:30pm

Location:

Online: Zoom link will be provided
