Hoag

About the Webinar:

Healthcare facility construction is influenced by a number of factors, ranging from available resources, supply chain demands, development costs and increasing technology demands but now COVID-19 is taking center stage and influencing how we construct new facilities. Join us to hear from these Southern California Healthcare experts on how historical knowledge, current experiences and a new approach on healthcare is shaping their decisions.

Date & Time:

Thursday, August 6, 2020

1:30pm-2:30pm

Location:

Online: Zoom link will be provided

Cost:

Members: \$25

Non-Members: \$55

Sponsorship: \$250
