Facilities Design & Construction
City of Hope

Sam Staley, LEED AP
Executive Director of Construction
Facilities Design & Construction
City of Hope

Kevin Cheng J.D., Sr. Project Manager
Facilities Design & Construction
City of Hope

About the Program:

Ranked among the nation's best hospitals in cancer, City of Hope is renowned as a world leader in advancing research and treatment protocols for cancer, diabetes, and other serious diseases. City of Hope recently opened its largest community practice site in Corona, CA. This new facility is one of more than 35 locations in their Southern California clinical network. Later this year, City of Hope is expecting to open a new campus in Orange County. Join us for an engaging in-person discussion on the City of Hope expansion plans and vision for the future with the Directors and Senior Project Manager of the Facilities Design & Construction team.
