

AAA/E ASSOCIATION & AAA/E FOUNDATION PRESENT

STUDENT & RECENT GRAD WORKSHOP: ACING THE INTERVIEW

How do I prepare for an on-line interview?

How do I make a positive impression during an on-line interview?

What questions should I ask during the interview?

Whether you're an experienced professional or a recent graduate, an effective interview is critical to landing your next opportunity. Featuring real interview questions from engineering and architectural firms, learn what you need to do to put your best foot toward and walk out with a job offer in hand. Join our career development expert, Kim Hayashi with Leadership Inspirations, for a solution-focused session on effective interview techniques, strategies for preparing for the interview and common mistakes to avoid.
